

Dear Employer

Validation Checks for Wage Declaration on PAT

We have informed you on 23 September 2020 to provide accurate wage information of your employees when making your monthly CPF submission. This is to ensure that the Government payout schemes can be correctly paid out based on your employees' wages.

From 1 January 2021, validation checks will be included for wage declaration for CSNs making mandatory contributions with Payment Code: 'PTE', 'PEN', 'NPE', 'SVR', 'CTR', and 'NPA'.

With these new validation checks, you will only be allowed to proceed with CPF submissions if you have provided the corresponding Ordinary Wages and/or Additional Wages for your employees receiving CPF contributions. Otherwise, the system will display an error message and prompt you to rectify your submission.

For enquiries on the mandatory wage requirement, you can contact us at 6220 2340 (Monday to Friday, 8.00am to 5.30pm) or write to us at cpf.gov.sg/writetous.

For enquiries on the PAT system validation checks, you can contact Crimsonlogic at +65 6887 7888 or email them at helpdesk@crimsonlogic.com.sg.

Thank you.

Yours faithfully,

Central Provident Fund Board
