

To: Provident and Tax (PAT) subscribers

Dear Valued Customers

### **PAT implements Auto-Inclusion Scheme (AIS) Check**

To improve the efficiency of e-filing to IRAS, Provident and Tax (PAT) will be implementing a feature to ascertain whether the employer submitting employment income for their employees for Year of Assessment (YA) 2018 has registered for the Auto-Inclusion Scheme.

Supported by Inland Revenue Authority of Singapore (IRAS), the PAT system will conduct a real-time check against IRAS database to determine whether the employer is registered for AIS when submitting Employment Income files via PAT.

If the returned result shows (N), it indicates that the employer is not registered for the AIS scheme, you will not be allowed to proceed with your e-filing via PAT.

To ensure timely submission via PAT, please click [here](#) to find out more about the AIS scheme. To register please click "[Register for AIS](#)".

For more information on the scheme, please e-mail [ais@iras.gov.sg](mailto:ais@iras.gov.sg).

Your sincerely,

Provident and Tax Team
